

## PRODUCT MANAGEMENT DEVELOPMENT PROGRAM (PMDP)

During this rotational program, you'll experience facets of Product Management, joining either our Personal Insurance, Small Commercial Insurance or Business Insurance Product Management Teams. You'll receive best-in-class training on insurance, actuarial, underwriting, and technology and, in the end, you'll land an impactful Product Management role, joining a diverse group of alumni and leaders across the organization.

### THE PMDP CANDIDATE:

Is a college graduate (preferred GPA 3.0 or above).

Holds a degree in Actuarial Science, Economics, Engineering, Finance, Information Systems, Mathematics, Risk Management or other related business majors.

Is passionate about learning and self-development, with some past experience in a business environment.

### EVERY DAY IS A NEW CHALLENGE:

- **Data Analysis & Critical Thinking.** Make recommendations that drive profits.
- **Competitive Analysis.** Develop strategies to increase our competitiveness.
- **Actuarial & Pricing.** Advise and influence insurance product pricing.
- **Catastrophe-Risk Management.** Mitigate state-specific catastrophes.
- **Product Strategy & Development.** Create new product opportunities.

**WORK + PLAY** In the PMDP, work is only half the fun.

- **Mentorship Program.** Partner with a graduate, manager and executive.
- **Leadership Exposure.** Present project work to and connect with top leaders.
- **Travelers Championship.** Find yourself on the green at this PGA tournament.
- **Volunteering.** Get involved and do the right thing for our communities.
- **Ice cream, Bowling, Baseball.** We'll take any excuse to spend time together.
